English Country Dance is the ancestor of contra dancing, cousin to Scottish Country Dance, and like both, is community dancing—you dance with your partner, and with everyone else in your set. All dances are taught, no experience is required, and you don't need to bring a partner—traditionally, one changes partners after every dance. We always dance to live music, a gorgeous repertoire ranging from music of the mid-17th century to modern-day compositions.

Come join us at our new hall; a lovely old ballroom in the heart of San Francisco!

*This dance series is sponsored by the Bay Area Country Dance Society, which supports nearly 300 dance events a year. For more information and to confirm details, visit [www.bacds.org](http://www.bacds.org).*
