Musicians: Apply now for a chance to work with Bare Necessities' pianist, the renowned accompanist for Ken Burns's award-winning documentaries.

New Dancers: Enjoy this opportunity to support local musicians and to have fun dancing away the afternoon. Not yet ready to dance at the experienced dance this evening? Consider attending that night simply to appreciate the music!

Experienced Dancers: Come for both the afternoon dance and the regular Fourth Saturday Experienced Dance. Plan on joining far-off dance friends for dinner in the heart of Berkeley's Gourmet Ghetto.
