What & why? As you may know, we enjoy both styles of dance. They have much in common, but also peculiar charms and rewards of their own (like us, some might say). Many local dancers also have a foot on both sides of this dance border. We hope this event will give both communities an opportunity to come together and dance with each other.

Do I need to know both styles? No, we just ask that you come with an open mind, and a spirit of adventure. In order to make the event accessible to as many as possible, we plan to hold a couple of workshops locally: SCD for English dancers, ECD for Scottish dancers. There will also be short workshops on the afternoon of the dance. We will share instructions and videos of the dances on our program ahead of time.

What's next? If you are at all interested in hearing more as our plans develop, **please email us at rachelanddilip@gmail.com** and we will put you on the mailing list.

The event will be publicized through both sponsoring organizations.
